VOLUME XXXVIII, No. 2

February 2021

*And from Jesus Christ the faithful witness, the firstborn of the dead, and the ruler of kings on earth. To him who loves us and has **freed us from our sins by his blood** and made us a kingdom, priests to his God and Father, to him be glory and dominion forever and ever. Amen. (Revelation 1:5–6, ESV)*

Two days previous to writing this article, I had the privilege of donating **blood**. As I sat hooked up to an apheresis machine, I could not help but glance around the room. My heart was thankful for 10+ other individuals in process or lining up to donate the gift of life. What a loving act! Currently, **blood** banks everywhere are trying to catch up on a blood shortage. There is no replacement. **Blood** cannot be manufactured in a lab. It has to be collected from living human beings. **Blood** is truly the gift of life... and it is urgently needed.

Why all this talk about **blood**? Maybe some readers are already getting queasy just thinking about it. In the Bible there is a clear theology of **blood**. Think about just a few examples of **blood** in the Old Testament:

Genesis 3 – God sheds the **blood** of animals to clothe Adam and Eve

Genesis 9 – After destroying life through the flood God makes a covenant with Noah:

*Whoever sheds the **blood** of man, by man shall his blood be shed. (Gen. 9:6a, ESV)*

Exodus 12 – God promises to “pass over” the houses with **blood** on the doorposts

Exodus 24 (and most of Leviticus) – **Blood** of atonement is sprinkled on the people and the altar

The Judges and Kings of Israel – Accounts are given of constant **bloodshed** as a result of sin

The Prophets – God calls the **blood** of bulls and goats insufficient and promises a Messiah

When we turn the page into the New Testament, the theology of **blood** continues. Jesus is called the Lamb of God who carries away the sin of the world. In the garden, Jesus sweats great drops of **blood**. At His trial, Jesus is whipped until almost unrecognizable. On the cross, Jesus hands and feet are nailed. After his death, Jesus side is pierced so that **blood** and water gush out.

What does all of this **blood** mean for us? Jesus’ **blood** means life! The Red Cross provides **blood** to extend life on this earth, but the Cross of Christ provides **blood** to provide life beyond this earth – forever. Paul says, “In Him (Christ) we have redemption through His **blood**, the forgiveness of our trespasses, according to the riches of His grace” (Eph. 1:7). In Revelation 1, John reminds us that Jesus is the One “who loves us and has freed us from our sins by his **blood**” (Rev. 1:5b).

This February marks both Valentine’s Day and the beginning of Lent (Ash Wednesday). As sweethearts and family members exchange heart-shaped reminders of love, let’s remember the symbol of Christ’s love – the **blood** of His cross.

*At the cross, at the cross I surrender my life  
I'm in awe of You I'm in awe of You  
**Where Your love ran red** and my sin washed white  
I owe all to You I owe all to You*

- At the Cross (Love Ran Red) by Chris Tomlin

Remembering the loving blood of Christ, Pastor Matthew

# THANKS *from the* HEART

To Christ the King Lutheran Church  
Thank you for the face masks you  
brought us.  
Thanks Good Sam Staff & Residents

Dear Pastor Tim & Staff,

We cannot begin to express our heartfelt gratitude to you and your staff for your welcoming service during our time of celebration of Rev. Ev's life and service to His God and Savior. You were so gracious to open your church to all of us and to officiate the funeral and cemetery burial. We are so appreciative of all your care for all of us. Thank you, thank you! We also appreciate all your staff manning the sound booth, cleaning up after us, and helping stream the service live.

We are so grateful.

Warmly, the Rev. Ev Hind Family

We thank you our Lord and Savior that you are able to bring hope thru the toughest times and the assurance you will not leave us.

We also cannot express our thanks for all your prayers, cards, texts, and calls in uplifting Jerry during this journey and hope and pray it is behind us and he can continue to heal.

Jerry & Dianne Rood

Thank you for your recent gift. We continue to be humbled by gracious gifts from you and all those who support AFLC World missions prayerfully and financially. In 2 Timothy 1:3-7, Paul conveys similar thankfulness.

Our missionaries and our World Mission Committee and office staff are grateful for every gift. We have the responsibility to bring the Gospel to those beyond our borders. Please know that your gift is appreciated and that we are taking care to use it as intended.

I pray that you are encouraged to know that God continues to be faithful to us in reaching this generation with the Gospel.

On behalf of our missionaries and office staff, thank you for your gift to AFLC World Missions

In His Service, Rev. Earl Korhonen, Director

Dear Pastor Johnson,

Please accept our gratitude and deep appreciate for your support of our troops through the Military BibleStick. Your church is a testament to sacrificial giving. Providing our brave men and women in uniform with the gift of God's Word in audio is a blessing that will bring them peace, comfort, and spiritual protection as they put themselves in harm's way while serving our country.

It's clear that you are making a difference in the lives of our troops. And thanks to your generosity, many more will now be blessed with their very own BibleStick!

Again, thank you for standing with us in partnership to bring the comfort of God's Word to our military heroes.

Your Servant in Christ, Morgan Jackson

Dear Christ the King Lutheran Church

2020 is over! It certainly was a year like no other. Throughout all the societal upheaval and global pandemic issues, the gospel of Jesus Christ moves boldly onward throughout the Converge Heartland District. Even through social distancing, many churches have experienced new life and growth. Even with restricting economic realities, churches have financially sustained. Even through societal dynamic of frustration and fear, more people have come to meet, know, and follow Jesus.

Your financial support of Prison Lighthouse Ministry and Harlan Moss has helped to continue the work of the gospel ministry in the American Heartland. Praise God!

Thanking God upon every remembrance of you!

## Missionary of the Month: in Alaska Jeremy & Lacey Crowell; Malachi

Like everyone, COVID had (and continues to have) an impact on everyone. When everything shut down last March, of course that included the churches as well. Many in the lower 48 went to live streaming and that kind of thing. Our internet is minimal up here in Alaska, but praise the Lord for KAKN! We were able to use the radio station for Sunday services. Pastor Jeff, as well as Jeremy, also recorded some devotionals that would play throughout the week. The Sunday services even included a short Children's Sermon! It was also a blessing as several people tuned in who wouldn't normally. This lasted for almost two months I believe.

Our summer ministry definitely looked a lot different for us! For several months previously our community was very concerned. One, because of all the cannery workers and fishermen who would come from other places. And two, that if things had to be shut down and no one could come in to work then it would effect the fishing industries, people's incomes and more!

Praise the Lord for all the precautions that took place and very minimal virus cases! Everything ran very smoothly. Jeremy did a bit of flying, but definitely not as much as normal! Our family was able to go to MI to see my parents and we also attended Annual Conference/visited friends this past summer.

We took off several months of Sunday school so that has been nice to be up and running for the last couple months! I think the kids especially were so happy to be back!

In September, we had a new worker move up! Heather Hansen had been part of our VBS team for several years in a row and felt a pull to come back to Alaska full time! She is currently doing Children's ministry at the church as well as working at the public school (doing distance learning) She has been a joy to have around!

Malachi started homeschooling for the first time this fall. That has been both a challenge and a blessing. He has appreciated some extra flexibility. :)

In December we had our annual Christmas quilts, knit hats and more giveaway for the community. People could stop by the church and pick out a quilt or a few for loved ones. Everyone was so happy! Lots of quilts were given away and we are thankful to so many who have sent them up!

Jeremy has been busy preaching and teaching while Jeff as been away and also doing some aircraft maintenance. They also continue to go to South Naknek for church services on Sunday afternoons. Prayers for the other villages who haven't had ministry as most have been "shut down".

In Christ's Service Jeremy & Lacey Crowell

**More pictures on the next page.**

### Prayer Requests:

- \* The village of Ekwok & others as they remain on COVID lockdown. Pray that the lockdown would lift so the missionaries can minister in person again.
- \* Those in the community who have lost loved ones due to illness.
- \* For revival. That people chained by addiction can be set free and filled with love and hope. That they would have a living relationship with the Lord.
- \* For good weather and safety in flying in the planes.

### **Blankets & Bedding**

Disasters force families to flee their homes and leave behind all of their possessions, including blankets to protect them from the bitter cold. For just \$6, you can give a cozy blanket or other snug bedding to a suffering family, keeping them warm on frigid nights and reassuring them in a tangible way that our Heavenly Father is the "God of all comfort" (2 Corinthians 1:3-4).
